You will receive a survey with meal options before your session starts. Please provide any additional information in the notes section for each meal individually (example, vegetarian, gluten free, etc...)

Though we would love to have everyone in the dining hall it is not possible to share that space together at this time. We ask families to take their meal and enjoy it around camp at one of our picnic tables or at their own cabins.

Meals will be served in single use containers, no need to bring dishes or utensils. Your meals will be prepared and packed by our staff who will wear gloves and masks. All water from any faucet around camp is drinkable. We ask that families use their personal water bottles as much as possible for drinks during meals.

Necessary precautions: Please wash your hands before and after each meal and keep at least 6' distance from other families when picking up your food. Please limit wandering around the dining hall during meals.

Please socially distance at each program area so that safety is maintained and please stay with your family group at all times.

PRE-CAMP PRECAUTIONS

Please self-monitor before coming to camp and limit your interaction with riskier situations at least 2 weeks before the start of the session.

FAMILY ADVENTURES INFORMATION AND GUIDELINES

Read this information to learn all the details for your family's stay at camp. If you have questions or concerns, please contact YMCA Camp Seymour, by telephone at 253-884-3392.

CHECK-IN and CHECK-OUT TIMES

We will be ready to welcome you in the Main (upper) parking area between **5:00 PM-7:00 PM** during our check-in time. We will not be running luggage delivery for each cabin. Instead we will allow you to pull your vehicle through camp and deliver your luggage directly to your cabin. Please maintain a 5 MPH speed through camp. Little ones follow balls instead of looking where they are going. If you need to arrive at camp after 7:00 PM, please park in the Main (upper) parking area and walk down to the dining hall, where our staff will assist you. Call ahead (before Friday at 4:00 PM) to let us know your arrival time if it is different from the scheduled check-in time and we will make accommodations. Check-out on **Monday is between 9 AM and 11 AM**. Families are expected to self-perform health checks. See details on recommended items to be checked above. Prior to coming to camp and throughout camp experience. Daily health checks recommended. Note, staff will be checked daily as well.

SANITIZATION

All cabins are deep cleaned and sprayed with an electrostatic sprayer before each use. This is a powerful and safe way for us to make sure cabins are clean for each new family. We use Q-T as a chemical cleaner on surfaces around camp and Suprox-D on any food surfaces like dining hall tables. Our surfaces are left wet after we sanitize so that the chemical has time to sanitize, please do not be alarmed if you encounter wet surfaces. Additionally, it is important to note that, when used appropriately, these chemicals are acceptably safe around families and will not tarnish, or bleach your clothing. Please ask if you have any questions about our cleaning procedures. We take this very seriously.

PHYSICAL DISTANCING

Please wear a mask anytime you would be closer than 6' to anyone outside your family group. Also, please maintain physical distancing, at least 6' from anyone not in your family group.

BATHROOMS AND SHOWERS

Each cabin has its own shower and bathroom. We ask that guests attempt to use these personal facilities as much as possible. Other restrooms will be cleaned regularly.

HOUSING ASSIGNMENTS

We expect that every family will have their own cabin. If you wish to share a cabin with another family, please let us know ahead of time. We strive to make wise decisions about assignments so that members of your family with special needs and/or limited mobility receive appropriate placements. We currently have 6 ADA accessible cabins. You have indicated your needs on your registration form, but feel free to call Lincoln to discuss any concerns about the location or amenities or your cabin.

FIRST AID and MEDICAL CARE

Families are responsible for their own first aid and medical care. Emergency transportation and major injury care is available from our local fire department. Non-emergency transportation is the responsibility of the affected family. Camp Seymour reserves the right to send a participant home if a physician so advises. Or of any signs or symptoms of Covid-19 are present. Only campers under the age of 18, and **NOT** accompanied by their legal guardian, must complete a health form – you will find it at the end of this information.

REFUND POLICY

Camp registration deposits are not refundable. The balance of the camp fee will be refunded only under exceptional circumstances, and with the approval of the Camp Director. Please understand that we have reserved a place for your family with your registration, and may have turned others away.

SPECIAL NEEDS (mobility, diet, allergies, etc.)

We strive to provide programs and services for everyone at YMCA Camp Seymour. If you or a family member has special needs, please contact Lincoln McLain at 253-460-8884 or by email at lmclain@ymcapkc.org. We will be happy to discuss the weekend's activities with you to make sure they are appropriate for your family. We always provide vegetarian options at most meals and accommodate almost all food allergies. However, our ability to serve many allergies and dietary needs depends on advance notice and might require you to bring your own supply of specialized food.

SPENDING MONEY

There are a variety of items available in our camp store, such as sweatshirts, water bottles, stuffed animals and other non-food items. Hooded sweatshirts cost \$35.00, and Seymour t-shirts cost \$14.00. There is also a small local grocery store and Espresso Stand in Key Center (one mile up the road).

ALCOHOL AND TOBACCO POLICY

As a branch of the YMCA, and in the spirit of Family Camp, our guests must refrain from the possession or use of alcohol or drugs while at camp. If members of your family smoke, we ask that you do not smoke inside any of our facilities or on our property; we will designate an area for you if requested.

NOISE CURFEW

Our neighborhood observes a noise curfew from 10:30 PM - 7:00 AM. Please make an effort to keep noise to a minimum during these times as sound travels easily across our cove.

LOST and FOUND

A common camp issue! There is a box in the Dining Hall for lost or found items. Unclaimed clothing will be laundered and donated to charitable organizations after thirty days of not being claimed. We recommend labeling all items if you or your loved ones are prone to forgetfulness.

LOW-TECH GUIDELINE

At Camp Seymour, children's video games, iPod, and laptops are discouraged. We are an outdoor recreational facility where spending time in nature and building community is the goal. These electronic devices detract from that experience. Cell phones receive poor reception in most areas of camp; we have a telephone in our office and internet access for emergencies. Cameras are welcome to capture camp memories.

COMMITMENT TO HEALTHY CHOICES

Our YMCA is part of a national YMCA initiative to improve wellness through physical activity and healthy nutrition choices. At camp, being active is a part of everyday—from our morning run and walk to our recreational activities and walking the camp trails (we are a "vertical" camp). Our meals are always served with many fruits and vegetables, and we have a traditional camp kitchen that serves buffet meals with a variety of options.

COMMUNICATION

In case of emergency at home or in camp, Lincoln McLain is your weekend host 253-460-8884. There is a telephone available for guests to use if needed and each cabin is equipped with a radio for emergencies.

DRESS CODE

We ask that all of our participant's dress in a manner appropriate to camp and a public setting. Outdoor and modest dress is the most fitting for camp. Closed toed shoes are required for some recreational activities and warm clothing is recommended for outdoor evening programs.
