

YMCA CAMP LAKE HELENA DAY CAMP PARENT GUIDE

Dear Parents and Caregivers,

Thank you for choosing YMCA Camp Lake Helena as your child's summer day camp. This Parent Guide will familiarize you with our program and help your family prepare for your child's summer experience. Reading through this guide with your child is important and should answer any questions you may have. Please hold onto this guide as it has important information for before and during your child's experience at Camp Lake Helena Day Camp.

Sincerely,

Katie Eskridge | Day Camp Director
360-895-5390 | KEskridge@ymcapkc.org.

GOALS AND OUTCOMES

FRIENDSHIP

Caring adult role models lead activities and games that foster friendships.

ACHIEVEMENT

Campers build skills and confidence through camp activities like archery, boating and so many others.

BELONGING

By participating in Lake Helena traditions, campers feel like they belong.

DAY CAMP GROUPS

AGE-APPROPRIATE PROGRAMMING

All campers are placed in a family group of 9 campers and 1 staff member for the week. Each family group will participate in activities as a group to encourage new friendships and allow for age-appropriate structure for activities. Groups are based off of age and number of registrations, an effort is made to keep all campers in a group within two grade levels of each other.

PRE-CAMP CHECKLIST

- Review Parent Packet
- Pay any unpaid balances 2 weeks prior to session
- Complete forms and return to camp prior to your camper's session.
 - ✓ Health History Form
 - ✓ Camper Release Form
 - ✓ Agreement to Participate Form
- Help your child pack using the daily checklist as a guide.
- Check-in between 8:45-9:00 AM on the first day of camp

SAMPLE SCHEDULE

8:45-9:00 AM	Drop Off
9:15 AM	Family Group
10 AM	Activity 1
11 AM	Activity 2
12 PM	Lunch
1:00 PM	Activity 3
2:15 PM	Closing
3:00 PM	Pick-Up

PLANNING FOR YOUR WEEK OF DAY CAMP

DAILY CHECKLIST

- Sack Lunch** (No nut products, please)
- Sunscreen and hat
- Water bottle
- Swimsuit and towel
- Small Backpack
- Inexpensive white cotton shirt for tie dye (Tuesday or Wednesday)
- Cloth face covering
- Closed-toed shoe – No flip flops or sandals
- Water shoes for swimming/boating (No flip flops)

*Please mark all clothing and equipment with the camper's full name.

The following items are not allowed at camp: money, I-pods, MP3 players, video games, cell phones, snacks containing nuts, chewing gum, makeup, knives, pets, fireworks, aerosol sprays and weapons of any kind.

ARRIVAL AND DEPARTURE

The day camp program hours are 9:00 AM to 3:00 PM each day. We ask that all campers are present for these hours. Day camp drop-off is from 8:45 – 9:00 AM, and pick-up is from 3:00-3:15PM. **We ask that all campers wear their cloth face covering during drop off and pick up.**

If you have a day when you need to pick up your child before 3:00 PM, please inform the day camp staff in writing. If you need to pick up your camper early, **please plan on picking him/her up prior to 2:30 pm, as our staff are busy with closing ceremonies during the last half hour of camp.** Our staff will make arrangements to have your child ready to pick up at the camp office at the time you request. Children must be accompanied by an adult when they arrive and leave the day camp program. You must sign your child in and out daily. For the safety of your child, only you or the other adults you designate in writing on the release form may pick up your child. **Please be prepared daily with photo identification.**

DAILY HEALTH SCREENING

We take the health and safety of our campers and staff very seriously. All participants and staff will go through a daily health screening before checking in to camp. We ask that you check your camper's temperature before you leave for the program. If they have a fever above 100.3, please do not bring them to camp. We can accept your child into program 72 hours after the fever breaks and without being given fever reducing medication. Before exiting the car, all campers will have their temperature taken (must be under 100.3 degrees F), and will be asked the following questions:

- Have you been diagnosed with COVID-19 and have not recovered or are still within the required 14-day isolation?
- Have you had symptoms of COVID-19 within the last 24 hours? Symptoms include:
 - Cough (New cough or change in chronic cough)
 - Shortness of breath or difficulty breathing
 - Fever
 - Chills
 - Muscle pain
 - Sore throat
 - New loss of taste or smell
 - Other less common symptoms such as gastrointestinal symptoms like nausea, vomiting, or diarrhea
- Has your child had any medication to reduce a fever before coming to camp?
- Have you had contact with a person that has or is suspected to have COVID-19 within the last 14 days?

We ask that you monitor the health of your camper prior to coming to camp. If they, or anyone in their family, are exhibiting any of the symptoms noted above, please do not come to camp and notify the Camp Director immediately. For the safety of other campers and staff members, if the answer to any of the above questions is yes, your camper will not be allowed to come to camp.

FORMS AND HEALTH INFORMATION

HEALTH HISTORY AND CAMPER RELEASE FORM

All campers are required to have a completed health history form. **Please complete the online form prior to your camper's session.**

INSURANCE

You, as the parent or guardian, are responsible for any medical costs incurred as a result of injury or illness while your child is at camp. Be sure to provide accurate information (carrier and policy number) regarding your health insurance on the health history form.

HEALTH CARE

Our camp staff are trained in emergency first aid and CPR techniques. Emergency transportation is available from the local fire department. Should any serious accident or illness occur at camp, parents or guardians are notified immediately.

Please, if your child is ill, do not send him/her to camp. If your child is ill and cannot attend camp for the entire session, we will try to reschedule as space is available. If your child becomes ill while at camp, you will be contacted to pick him/her up. In case of injury, the day camp staff and/or health care staff will take necessary measures to ensure proper emergency care, which may include: treatment by staff for minor injuries, phoning you for your instructions, calling local emergency care providers, or transporting the camper to a doctor or emergency care facility when necessary. We will notify parents as soon as possible about any communicable diseases affecting children in the program. We report outbreaks of diseases to local health authorities. Children absent due to contagious diseases can return to the program when accompanied by a signed physician's statement indicating they are no longer contagious. Children absent due to lice may not return until there is no sign of lice. The child will be inspected for lice by the day camp staff before they can re-enter the program.

It is very important that you provide us with complete emergency contact information. In the case of any injury that requires medical attention, we will make every attempt to contact you prior to treatment. In the event you cannot be reached, we will have your written authorization (on the health history form) on file to treat an injury.

MEDICATIONS

All medications must be submitted to the day camp staff. All prescription drugs and over-the-counter medications must be in their original container with a licensed physician's instructions. Please place your packaged medications in a clearly labeled sack (zip lock bags work well, with masking tape for a label) with camper's name, dosage and directions for administering. Any medications that are coming with your child to camp must be listed on the Health History form. All medications are administered by the camp directors or camp health care staff under the doctor's or parent's written orders. Non-prescription drugs must have a parent note attached. Children should not bring or administer their own medication, except where regulations and standards make exceptions for inhalers. Any unused medications will be returned at the close of the camp session. Any changes to medications or medical conditions must be communicated to camp director prior to program beginning.

CAMPER/PARENT EXPECTATIONS AND GUIDELINES

COVID-19 CAMP SAFETY INFORMATION

The safety of campers is our priority at camp. We ask that you discuss the importance these safety measures with you campers before they arrive at camp. We are asking campers to maintain 6 feet of physical distance between each other and staff, and we've modified our program to support this. We are using a cohort model this summer, where campers will be placed with a group for the entire time that they are at camp. This means that campers will not mix with other groups to minimize contact with others.

We will require that campers wear a cloth face covering during certain times of the day. They will need to wear them during pick-up/drop off, whenever they are indoors, or when it is impossible to maintain 6 feet of separation. We've worked hard to design the program to take advantage of our ample outdoor space to minimize the amount of time masks are required. We ask that you send your camper with a clean cloth face covering each day of camp and discuss the importance of masks with your camper before they arrive.

All of our staff will be screened before coming to work, staff will not work in a program if they have a fever or are feeling ill. Our staff will be working hard to sanitize camp each day and between sessions. The cleaners we use are safe around children and will not bleach clothing. If you have any questions about our cleaning procedures or the steps we've taken to minimize risk of transmission, please contact us.

BEHAVIOR AT CAMP

Our staff will make every attempt to provide positive, realistic expectations, and guidelines for your child. Attending YMCA camp is a privilege that you as a parent/guardian have chosen for your child. Campers that cannot live within camp rules, or are adversely affecting the experience of other children, will be dismissed without a refund. In these rare instances, it is the responsibility of parents to pick up their child from camp.

FOOD AND SNACKS

Camp will provide a snack each day usually comprised of fruit or pretzel mix (no peanuts). **Please send your camper with lunch**, and take care to make sure it is **nut free** (no peanut butter, please!). We ask that you discuss with your child about not sharing their lunch with others. Lunches should not contain foods that will spoil in warm weather. Day camp has no access to refrigeration or microwaves.

GROUP ASSIGNMENTS

Day campers are separated into groups based on grade and age. We try first to place campers who are within two grade levels in school, then within one year of age, into the same groups. An important part of camp is meeting and making new friends. Our staff is trained to build unity within the group. Group changes are not possible once camp begins. Camper to staff ratios are 9 campers to 1 staff member.

STAFF

Family groups of 9 campers are supervised by one college-aged day camp staff. All leaders are selected for their willingness to work with children and undergo a rigorous training program prior to the opening of summer day camp. Character references and background checks are conducted on each staff. The overall program is supervised by a professional YMCA director. We put a great deal of effort into finding the finest people to lead and inspire our campers.

LOST AND FOUND

The camp experience is an opportunity for children to learn responsibility for their personal belongings. Prior to camp, please discuss with your child caring for and keeping track of their gear. Also consider that summer camp can be hard on clothing and shoes, so new or expensive items are not recommended. Mark all clothing and equipment with the camper's full name. Any unclaimed items left behind will be held for a period of one week after each session, after which they will be donated to charity. YMCA Camp Lake Helena is not responsible for lost or damaged articles.

SUMMER PAYMENT INFO

It is the goal of YMCA Camp Lake Helena to offer quality programs at an affordable cost. The following policies help us to properly allocate staff and resources, and ensure that our prices remain as low as possible. Deposit: A \$50 deposit per session must accompany your registration and is applied to the total camp fee. Deposits are not refundable under any circumstances. The balance for each camp session is due on Wednesday, two weeks before the start of the session.

REFUND POLICY

Deposits are not refundable under any circumstances. In case of homesickness, dismissal or voluntary withdrawal, there is no refund of any fees. A physician authorized written medical excuse verifying illness or injury is required to be considered for a refund (less deposit). If camp is must close due to Department of Health restrictions or Governor's guidelines, participants will be given a full refund. If you camper is ill or does not pass our health screening, contact the Camp Director to discuss refund options.
